### Announcement Regarding the 13<sup>th</sup> Check

We are pleased to announce that there will be a 13th Check Pension Supplement issued to eligible retirees and beneficiaries on January 31, 2022. The 13th Check is issued annually, if funds are available, by the City of Grand Rapids Police & Fire Retirement System to eligible retirees and beneficiaries. This check, a negotiated part of your retirement benefit, can only occur when the average annual market value rates of return for the investment of retirement system assets have experienced sufficient gains during the last five years to allow for the distribution of excess reserve funds. The five-year average market value rate of return was 10.28% for the Police & Fire Retirement System. Although it is our hope that a distribution will always occur, the economy, volatility of financial markets, and other considerations may not make it possible to do so every year. **Any direct deposit and tax withholding arrangements previously made by the retiree for regular monthly benefit payments will also apply to this 13th Check payment. Please note that each recipient's amount is different and for privacy reasons the Retirement Systems Office cannot provide check amounts prior to the distribution.**

## **Pension Protection Act 2006 – Public Safety Insurance Premium Exclusion**

In anticipation of the upcoming tax season, the Board of Trustees wishes to bring to your attention the ability of eligible retired public safety officers to exclude up to \$3,000 of their retirement benefits from income provided the funds were used for the payment of retiree health insurance premiums or long-term care insurance premiums. This change was established by the Pension Protection Act of 2006 (PPA). It should be noted that this income exclusion is only applicable with respect to public safety retirees who have qualified premiums deducted from their retirement benefit check and paid directly to the insurer. Unlike other distributions made from the Retirement System, the amounts deducted and paid for qualified premiums will not be reported on the Form 1099-R issued to retirees. Instead, the IRS has stated that the individual retiree may claim the amount deducted as an exclusion on the retiree's Form 1040. As such, you should consult the Instructions to the Form 1040 for more information regarding this potential benefit. Please refer to your **December Earnings Statement from Northern Trust** for the total amount of health insurance deductions for the year. For any additional questions, please consult the applicable instructions or tax regulations. Given the complexities of the tax laws and other withholding and distribution rules, the Board of Trustees does not provide tax advice and cannot address specific tax questions. Therefore, the Board strongly recommends that any questions regarding the tax implications of the Pension Protection Act of 2006 or other tax issues be directed to your tax professional or financial advisor. It is your responsibility to ultimately determine whether you qualify to claim the deduction. This notice is intended to be informational only and should not be considered the rendering of legal, accounting or other professional advice.
