Announcement Regarding the 13th Check

We regret to inform our retirees that there will not be a 13th Check Pension Supplement issued on January 31, 2024. The 13th Check may be issued annually, if funds are available, by the City of Grand Rapids Police & Fire Retirement System to eligible retirees and beneficiaries. This check, a negotiated part of your retirement benefit, can only occur when the average annual market value rates of return for the investment of retirement system assets have experienced sufficient gains during the last five years to allow for the distribution of excess reserve funds. The five-year average market value rate of return was 6.80% for the Police & Fire Retirement System. Per City Code, in order for a 13th Check to be issued, the five-year average market value rate of return must exceed 8.0%. Therefore, there are not sufficient reserves to issue a 13th Check on January 31, 2024. Although it is our hope that a distribution will always occur, the economy, volatility of financial markets, and other considerations may not make it possible to do so every year.

Pension Protection Act of 2006 – Public Safety Insurance Premium Exclusion

In anticipation of the upcoming tax season, the Board of Trustees wishes to bring to your attention the ability of eligible retired public safety officers to exclude up to \$3,000 of their retirement benefits from income provided the funds were used for the payment of retiree health insurance premiums or long-term care insurance premiums. This change was established by the Pension Protection Act of 2006 (PPA), and amended by the SECURE Act 2.0. Unlike other distributions made from the Retirement System, the amounts deducted and paid for qualified premiums will not be reported on the Form 1099-R issued to retirees. Please refer to your **December Earnings Statement from Northern Trust** for the total amount of health insurance deductions for the year. For any additional questions, please consult the applicable instructions or tax regulations. Given the complexities of the tax laws and other withholding and distribution rules, the Board of Trustees does not provide tax advice and cannot address specific tax questions. Therefore, the Board strongly recommends that any questions regarding the tax implications of the Pension Protection Act of 2006, the SECURE Act 2.0, or other tax issues be directed to your tax professional or financial advisor. It is your responsibility to ultimately determine whether you qualify to claim the deduction. This notice is intended to be informational only and should not be considered the rendering of legal, accounting, or other professional advice.
